Re: Rundles, Janice K. advs. Anne Chamberlain - #11-079

Dear Attorney Trevethick,

I am writing to apologize for omissions to the complaint I sent to you yesterday. I was rushing to meet your deadline and did not proofread nor did I attach a few of the documents I referred to.

1. Fabricated bedroom meeting - JV telling complete truth Dec. 8, 2006 (pg. 3524 line 5)
2. I am still researching newspapers and have located many articles referencing the "alibi story" but have not found a single article that states there was any evidence to the contrary. If time permits I will copy all articles during Jesse Brooks trial and overnight them to your office for your reference.
3. Unofficial jail call transcripts. I would be happy to forward the discs if you'd like. I also neglected to attach Janice Rundles protesting the jail calls in the Jay Brooks trial pg. 3392 and the Jesse Brooks trial pg. 1778.
4. Doug Call, defense witness for Jay Brooks case -Portsmouth Herald article.
5. Reference to Michael Benton serving 22 years was in his 1/8/08 jail call.
6. Miscellaneous pages of testimony, Mike Small

I will attempt to get this together today. Again I apologize but I am not a lawyer and hopefully I have provided enough material for you to clearly see that Jesse Brooks was convicted based on false testimony.

Thank you,

Anne Chamberlain

PS. I have tried to locate article I overheard Rundles telling correspondent to print but apparently they choose not to print it.
