Re: Rundles, Janice K. advs. Anne Chamberlain - #11-079

Dear Ms. Chamberlain:

Your letter dated March 8, 2012, requesting reconsideration of the Acting General Counsel Thomas V. Trevethick's decision to dismiss the above entitled matter, was discussed by the Complaint Screening Committee at its April meeting.

After discussion, the Committee voted to deny the request for reconsideration and to affirm Mr. Trevethick's finding of no professional misconduct on the part of Janice K. Rundles. Your letter of March 8, 2012, did not contain any new factual allegations that Mr. Trevethick had overlooked or misapprehended, to cause the Committee to change Mr. Trevethick's original finding. The Committee's file is now closed.

Committee members Marthe F. Dyner, Vice Chair, and Ronna F. Wise were not present for the discussion or the vote on this matter.

Sincerely,

Martha Van Oot
Chair
